(g) if so, what steps Government have taken to provide land to these public schools; and

(h) what steps Government propose to take to see that the future of students is not adversely affected in these schools?

THE DEPUTY MINISTER IN THE DEVELOPMENT (DEPARTMENT OF EDUCATION AND DEPARTMENT OF CULTURE (KUMARI SELJA): (a) to (h) The schools seeking affiliation to the Central Board of Secondary Education are required to fulfil various conditions prescribed in the Affiliation Bye-laws of the Board. Formal recognition of the school by the concerned State Government/UT Administration and possession of adequate land are some of the main and essential conditions for affiliation. Keeping in view in difficulties faced by the schools to get adequate land, the conditions regarding the requirement of land were relaxed by making amendment in Affiliation Bye-laws on 30-8-91. It was observed that some of the schools in Delhi were not even fulfilling the revised conditions of land requirement provided in the amended Affiliation Bye-laws. Allotment of land to the schools in Delhi is done by the Delhi Development Authority. With a view to safeguarding the interest of students of such schools, 63 schools were granted adhoc affiliation. The adhoc affiliation was to be renewed on annual basis. Some of these schools subsequently fulfilled the conditions prescribed in the Affiliation. Bye-laws and, therefore, were granted provisional affiliation. Some schools applied for continuation of their adhoc affiliation and accordingly the same was renewed. However, there were 36 schools of Delhi who did not apply for renewal of adhoc affiliation despite repeated reminders. 1642 students were admitted in class IX this year in these schools. Through a public notice given in the newspapers, the Board informed these 36 schools of Delhi, that in case they do not get their adhoc affiliation renewed, their students will not be allowed to appear in class X examination to be conducted by the Board in 1994. Since then adhoc affiliation of 16 schools has been renewed. The names of the 20 remaining schools are given in the Statement (see below). The students of the schools not granted either adhoc of provisional affiliation by the Board, are free to seek admission in other schools.
